Purchase of Books, Periodicals, news	10,000/-	<ul style="list-style-type: none">❖ Purchase of books with due reference to the lists of books recommended by the KVS (or)

(B) 97

papers etc.		<ul style="list-style-type: none"> ❖ List recommended by the State Governments (or) ❖ Rs. 10,000/- per annum or the actual expenditure, whichever is less ❖ Text books and reference books for teachers should also be included. ❖ (or) as per the scheme formulated by Raja Ram Mohan Ray Library Foundation, the Nodal Agency of GOI, to support Public library Services and Systems.
Water & Electricity charges, Telephone charges, Internet Charges, other rates & taxes	15,000/-	<ul style="list-style-type: none"> ❖ To the extent of Grant/Actual Expenditure whichever is less to meet the expenditure incurred
Minor Repair to Govt., Schools	25,000/-	<ul style="list-style-type: none"> ❖ Available only for govt. schools having their own pucca building. ❖ For repair of school building, toilets, play ground, computer electrical fitting, white washing, painting, sanitary and other fitting, furniture etc. ❖ Expenditure on minor repair would not be included for calculating 50% limit for civil works.

Based on the sanctions, funds were released to all the Secondary Schools in the State under Recurring Grants in the sanctioned components during the year 2009-10, 2010-11, 2011-12 & 2012-13 with instructions to utilize the Grant released by the School Management Development Committees constituted for implementation of CSS RMSA Scheme at School level in the State duly following the Terms & Conditions stipulated by GOI, MHRD, New Delhi and communicated vide reference 6th read above including the norms prescribed by GOI on School infrastructure, learning resources, teachers and others from Para 4.1 to 4.8 and from Para 8.3.1 to 8.3.7 on management structure at school level to strictly adhere to the instructions/norms.

Further, while communicating a list of Laboratory Equipments & Lab Consumables (Phy.Science, Bio.Science & Mathematics) of the Director, SCERT received through the reference 5th read above to all the Secondary Schools in the State they have been requested to instruct the concerned to purchase the needy and useful items for imparting Science Education to IX & X Class studying students in the School subject to condition that "so far as the schools not having proper/functional lab, while spending the funds released for purchase of lab consumables/ equipment and only such items may be purchased which are easily storable and would assist towards gradual building up of a proper lab".

Keeping in view of the observations made by the District Educational Officer, Inspecting Officers at Secondary School level and requests made by them, to have an idea in purchasing of books, periodicals, Science material etc. at School level, keeping in view of the norms prescribed by GOI, MHRD, New Delhi in the RMSA Frame Work a Committee was constituted to recommend the lists of books which are very useful at School level both for Teachers and Students.

After going through the "Catalogues obtained from KVS, NCERT, NBT, CBT, Telugu Academy and Telugu University" the Committee unanimously recommended to suggest to procure the following Books, Periodicals, news papers etc. and the details of lists are as follows:

25	It Happened Tomorrow	Bal Phanke	Science Fiction
26	How Birds Fly	Sathish Dhavan	Biology
27	The Memory Mystery	Medha S Rajadhyaksha	Health

IV. TITLES COLLECTED FROM THE CATALOGUE OF NEHRU BALAPUSHTAKALAYA BOOKS FOR CHILDREN

All the Titles of Telugu, English & Hindi language from Nehru Bal Pusthakalaya Catalogue are recommended.

In addition to the above one English daily news paper preferably 'Hindu' and One Telugu/Urdu daily news paper recommended to arrange to the School Library.

The Committee members further gone through the "Manual on Science laboratory kit at Secondary level" provided by NCERT, New Delhi and the information provided by Prof. & Head, Workshop Department, NCERT, New Delhi.

It is unanimously recommended to suggest to procure NCERT, New Delhi designed and developed Secondary Science Kit (SSK) as per the scale recommended here under.

Sl. No.	No. of Students (9 th & 10 th classes)	No. of Kits suggested
1	30 Students	1 Kit
2	31 - 60 Students	2 Kits
3	61 - 90 Students	3 Kits

And so on as per the Students ratio @1:30.

As the Science Kit (SSK) contains only Physics, Chemistry and Biology subjects the committee recommended to procure Mathematics Kit also separately designed and developed by the NCERT, New Delhi.

The Committee also suggested to follow the break up as here under:

1. Purchase of Kits including Mathematics Rs. 22,000/-
2. Purchase of Science charts and models Rs. 1,000/-
3. Purchase of Lab consumable articles Rs. 1,500/-
4. Maintenance, Replacement & Repair of the Lab equipment Rs. 500/-

The Committee suggested to procure the Science Kits only through NCERT, empanelled suppliers/firms. The List of suppliers furnished by NCERT through the reference 6th read above is herewith appended to this proceedings with a request to procure them duly conducting SMDC meeting at School level:

In addition to the above they have also requested to follow the following guidelines scrupulously in selecting the Books etc. purchasing under School Annual Grants:

- When book reading is going down steeply, only the books that are reprinted many times stand out as useful and popular books. It can be a right guideline to purchase the books that are reprinted more than three times.
- General books in Physical & Social Sciences and Literature should be preferred.
- Books that inculcate a sense of patriotism and love for is culture may be procure.
- Books on great Nation builders and National leaders that inspire younger generation for a better future India need to be included i.e., Vivekananda, JC Bose, APJ Abdul Kalam etc.
- Books that inculcate human values among children need to be included.
- In schools, youngsters are in formative stage and the books, which impart knowledge about their life, will serve definite purpose than the books that impart general knowledge about the outside world. Books, which are useful in day-to-day life, are to be preferred.
- Most of the youngsters entertain negative feelings like shyness, fear, anxiety, low opinion about themselves. To help young students to come out of such feelings and to build confidence, all sensible books on personality development are to be preferred.
- Books that are popular and sold in good number in bookshops are to be preferred to the books that are mainly published for supply to libraries and other institutions only.

- Books which help both parents and teachers alike, to adopt the right attitude while dealing with growing minds that explain the behaviour of teenagers and the best possibilities to deal with them are to be preferred.
- Books, which help youngsters to understand basic techniques of preparing for exams and to face them successfully, are to be preferred.
- Most of the rural students are haunted with anxiety, tension, insecurity, inadequacy feelings and easily get into depression. Books, which explain at great length how to understand abnormal behaviour in the early stage and the methods to correct it and suggest the ways to develop healthy attitude, should be procured.
- Since two decades quality fiction is not being published in Andhra Pradesh. Hence purchase of fiction books can be limited to 10% of total purchases.

Hence, after examining the recommendations of the Committee in detail, the Commissioner and Director of School Education & Ex-Officio Project Director, RMSA is pleased to approve their recommendations for utilizing the School Annual Grants in-to-to. Therefore all the Head Masters/ Principals & Chairmen of School Management Development Committees of identified Secondary Schools & all the District Educational Officer & Ex-Officio District Project Coordinators in the State are requested to follow the above guidelines strictly while utilizing the School Annual Grants released from this office every year from time to time. Any deviation in diverting the funds from one component to another component or otherwise will be viewed seriously.

The Monitoring proforma for the said component is herewith enclosed.

This has the approval of Commissioner and Director of School Education & Ex-Officio Project Director, RMSA, A.P, Hyderabad.
